**Affidavit Certifying Compliance with Applicable State and Local Laws Restricting the Sale of Certain Firearms and High Capacity Magazines**

The undersigned FFL dealer (the "Dealer") hereby certifies that it fully understands all state, city and county laws, regulations and ordinances, applicable to its business that restrict or limit the sale of firearms having certain features or combination of features (e.g. pistol grip, folding stock, etc.), or listed (including copies or duplicates) as restricted, other prohibited firearms and high-capacity magazines (hereinafter, the "Restricted Products"). Those laws are hereinafter referred to as the "Firearm Laws." The Firearm Laws prohibit the sale of the Restricted or regulated Products in the state of the Dealer's licensed premises, except and only to the extent specifically permitted by law, to law enforcement, governmental agencies or other permitted exceptions (hereinafter collectively referred to as "Permitted Transfers").

The Dealer desires to purchase Restricted Products from RSR Group, Inc. ("RSR"), an out-of-state national distributor of firearms and related products to FFL dealers. RSR is not willing to sell Restricted Products to Dealer without the understanding and certification from the Dealer that it will fully comply with all Firearm Laws, whether existing or hereinafter enacted, and obtain any required license(s) applicable to its business.

Now therefore, the Dealer hereby agrees and certifies to RSR that it will not re-sell or otherwise transfer possession of the Restricted Products in the state of its licensed premises, except Permitted Transfers in strict compliance with the Firearm Laws.

**The undersigned Dealer, having read and fully understanding the above, hereby agrees and certifies to same.**
